NEW

Gardening has shown to be beneficial to your health — increase in functional movement exercise; helps to reduce stress and may improve your mood; enjoy time in nature; improve your diet by growing your own food; and possibly, make new friends who enjoy similar hobbies. You also learn patience, but it is so worth it when you get to enjoy your harvest, see the beautiful flowers you grow, or drink a cup of herbal tea!

Come and check out Chapin's very own seed library. Become a member and get up to 6 packets of a variety of different seeds per day. You can choose from different categories of flowers, herbs, fruits and veggies. There's sure to be something for everyone! We ask that you donate an unopened, non-expired seed pack (or more) of *your* choosing to add to our collection. Share your favorites and see if you find something new for you!
